

Maryland Historical Trust Non-Capital Grant Program

The Non-Capital Historic Preservation Grant Program is the only significant source of funding for historic resource identification, evaluation, and documentation projects in Maryland.

These funds:

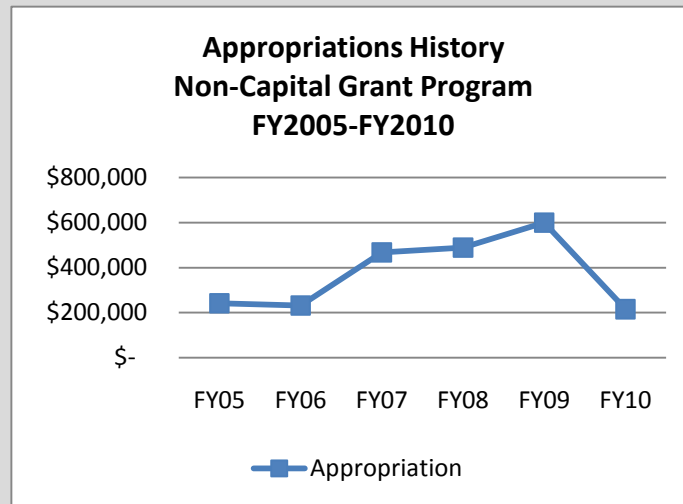

- support historic resource survey, documentation, and evaluation activities that serve as the foundation for the protection and development of historic resources
- are vitally important to local and statewide comprehensive planning and community revitalization efforts
- ensure that developers and project planners can more easily comply with federal, state and local laws, leading to more streamlined project review and avoidance of costly delays.

There are no other funding sources that duplicate the role Non-Capital grants play in Maryland. As a result, those projects that underpin local preservation and revitalization efforts are not likely to be initiated without the support of MHT.

Between 2005 and 2010 the Program funded 88 projects totaling \$2,074,880

Past projects include:

- Comprehensive historic sites surveys in Charles, Dorchester, Howard, Queen Anne's, St. Mary's, and Wicomico counties
- National Register nominations in Boonsboro, Sharpsburg and Baltimore County
- Design guidelines for Historic Preservation Commissions in Salisbury and Snow Hill
- Archeological investigations in Anne Arundel County, the Eastern Shore, and Southern Maryland

Non-Capital Grant Information

FY2011 Governor's Budget: \$227,999

FY2011 Intentions to Apply: \$783,832

Intentions to Apply are optional and do not necessarily reflect the actual need. Most years the actual amount requested is higher than the Intentions to Apply.

Ask your Legislators to maintain the Governor's budget request for the Non-Capital Grant Program

FY2011 Grant Applications Due: March 31, 2010
