SIX-TO-FIX BENEFIT

Become a corporate sponsor of Preservation Maryland's capstone Six-to-Fix Benefit where we celebrate the historic properties we have helped save and reveal the next six at-risk sites that we will tackle in the coming year.

Funds raised during this exciting high-profile event support the Six-to-Fix program and help save endangered historic sites for future generations.

Become a corporate sponsor of this important program today. Tiered sponsorship levels receive increasing visibility, recognition, and additional tickets. Benefits are summarized on the last page.

This year we are holding the event at the Parker Metal Building, one of Baltimore's historic industrial buildings that has been transformed into spacious sky-lit offices with the addition of glass and natural light. The building is strategically located south of Federal Hill and within sight of the M&T Stadium. Be one of the first to see this flexible office space that is entering Baltimore's vibrant collection of adaptively reused historic structures.

Tours available during the event.

Preservation Maryland structural engineers stabilize a historic Ellicott City building that was set for demolition after the 2016 flood. Their efforts rescued the otherwise condemned site.

Corporate Sponsorship Levels

<u>Sponsor Level</u>	<u>Contribution</u>
Presenting	\$3,000+
Platinum	\$2,500
Gold	\$1,000
Silver	\$500
